
Special Event Services from Western Disposal

Having an event? Want to recycle, collect compostables or make it a zero waste event?

Western Disposal can meet the unique needs of your event with our affordable and efficient container system. Western offers recycling, composting, trash containers, and collection services to help you work toward zero waste.

Western's Special Event Services are ideal for:

- Business meetings and conferences
- Athletic events
- Non profits and community events
- Weddings, and other social events

It's convenient and simple!

Western Disposal will..

- Work with you to determine your needs
- Deliver a dumpster to your site before the event
- Provide recycled-content boxes and color-coded bags for trash, recycling, and composting
- Provide instructions for set up

- Following your event, you place all materials – color-coded bags and flattened cardboard boxes - in the dumpster
- We pick up the dumpster, process the materials, and provide a summary report listing material quantities and environmental benefits

Special Event Services from Western Disposal

Why choose Western Disposal?

- We are a Boulder-based company that has served and invested in the community for more than 40 years
- Our services meet City of Boulder's zero waste event requirements.
- We are a better choice for you and the environment:
 - We drive fewer miles
 - Compostable materials are processed in Boulder at the company's compost facility
 - Western is converting its truck fleet from diesel to natural gas
 - We continue to reduce our carbon emissions
- Western is also available to provide assistance and training for your event staff or volunteers

Call Sarah Van Pelt at Western Disposal for more information and assistance with your event, at 303-448-2332
