

Zero Waste & Special Event Services

From Western Disposal

Hosting an Event?

Want to recycle, collect compost, or have a Zero Waste event?

Western Disposal can help meet the unique needs of your event with our affordable and efficient container system.

Services include: recycling, composting and trash containers and collection to help make your event a success and work towards zero waste. We also offer portable toilets, hand sinks, material sorting and diversion reporting.

Western's Special Event Services are ideal for:

- Business meetings
- Athletic events
- Community events
- Zero Waste Events
- Weddings, and many others

It's convenient and simple!

Western Disposal will...

- Work with you to determine your needs
- Provide recyclable boxes and color-coded bags to collect trash, recycling and compost
- Deliver a dumpster or roll-off to your site before the event
- Provide instructions for set up

Following your event...

- You place all materials: color-coded bags and flattened cardboard boxes in the dumpster or roll-off
- You can reuse your boxes for other events or recycle them
- We pick up the dumpster or roll-off and process the materials
- We will provide a summary listing material quantities and a waste diversion report

Zero Waste & Special Event Services from Western Disposal

Why choose Western Disposal?

- We are a Boulder company that has served and invested in the community for more than 40 years.
- Our services meet the Boulder and Boulder County's Zero Waste event requirements.
- Western can provide event planning assistance and train event staff or volunteers.
- Using Western is a better choice for the environment because:
 - We drive fewer miles since compostable materials are processed in Boulder at the Company's compost facility rather than being transported to Denver.
 - Western's truck fleet has converted to run on natural gas, creating fewer greenhouse emissions than diesel fuel.
 - Western uses wind and solar power for 100% of its electricity needs.

Pricing

Boxes with a lid--\$15

Boxes without a lid--\$7

Dumpster/Roll-off Service--price depends on size

Bagged compost, recycling, and trash after an event

See how the Boulder International Film Festival used our services!
